Skills

Computer

I am proficient in Java, ASP.NET Framework, C#, PHP, CSS, HTML, SQL, Cisco Networking, Android OS Development, MVC, VueJs.

Personal Strengths

I thrive under pressure, consistently delivering quality results on tight deadlines. As a dependable team player, I bring a positive attitude to every project, fostering a collaborative and upbeat environment. My ability to learn new technologies rapidly enables me to adapt to evolving challenges. Additionally, being fluent in two languages allows me to communicate effectively in diverse settings and connect with a broader audience.
